DAUAA JAX President's Corner: State of the Chapter as We Enter Year #4

Greetings all...

It is an honor to be writing this to all of you with the purpose of letting you know what successes we have had in 2017, what our goals are for 2018, and more important to recognize some very valuable people to the success of the DAUAA Jax Chapter.

First let's start with the top 10 things that was accomplished in 2017:

- Awarded 2 each \$1000 scholarships for STEM HS seniors
- Awarded 2 each \$1000 scholarships to HS other academy students
- Provided prizes and judges for STEM HS Fair (2nd year)
- Coordinated field trip to FRCSE Jax for HS students
- Started the DAU AA Jax Chapter Member HS Scholarship worth \$500
- Increased our financial Support for Greater JAX USO
- Increased our financial support for NMCRS JAX
- Added Hubbard House as one of our Community Projects
- Increased our Membership by almost 25%
- We stood up a Chapter Executive Support Team and now have all our chapter files and materials in a virtual cloud: New Executive Support Team Lead is Jackie Wimpee.

So what are we looking at for 2018? The chapter is growing in numbers, focus areas and impact (both manpower and financially). But we have all heard the phrase that No Good Deed Goes Unpunished....so while we can chose to enjoy our successes we prefer to look ahead to 2018. Here are some of the things we have in mind. First and not listed as goals WE WILL CONTINUE all 5 scholarship awards again in 2018. And we will also:

- We will start and award the first annual scholarship of the Liz Nealin College Continuance Scholarship Award. This will be for those who have completed at least one year of college.
- Start an aggressive fundraising program with the goal of doubling the amount of support for our 3 community focus areas: Greater JAX USO, NMCRS Jacksonville and Hubbard House Jacksonville
- Add 25% to our chapter membership numbers thru aggressive membership drives
- Expand our local training focus to include local topic HTF events to support our local stakeholders

IN PARTNERSHIP WITH:

So now let's go back in time just a bit. All of the successes last year and what we are looking to do takes planning and energy. Please indulge me as I recognize some of these individuals who without them our success would have been impossible:

- **FIRST and FOREMOST: Tony Conard our Chapter VP of Operations.** To say that he has been everyone's right hand man is to be blunt and understatement.
- Next is **Captain Chuck Stuart, former CO of FRC SE.** FRCSE was our first success story and we now provide their annual team and individual awards and quite a bit of their continuous learning via the HTF and Lunch and Learn.
- Our outgoing **Treasurer: Paul Danner** and outgoing **Secretary: Donnie Bodin.** One is now in Atlanta and one is in New Orleans. But while they were with us as we started up the chapter they kept the ship afloat.
- **Clay County Chapter of Commerce President Doug Conkey.** Who has and still is providing us excellent networking and community impact opportunities.
- **Elizabeth Nealin** the Chapter STEM Coordinator. She has taken us from a dream to a major factor in the area on all aspects of STEM.
- **John Martin** who has all the other HS career and academy student areas other than STEM. This past year was year 1 and what a year.
- **Lee Butler the Chapter VP of Outreach.** He has been all over our organization chart and his contacts on and off the base have enabled us to meet or exceed every goal.
- **Jackie Wimpee the new Chapter Executive Support Team Lead.....**we are so efficient with our organization and files and event planning and action items that I almost don't recognize us....as in that is a good thing.
- **Grant Meadows our Chapter Communications Director** who has his hand in most everything, advertising, newsletter, event sponsors you name it. And he always is able to work our events into his schedule.
- **Terry Tillman Golf Event Coordinator Extraordinaire.** Each golf event we set new records of funds raised and his networking list is incredible.
- **FRCSE and the entire Command at NAS Jax and at Cecil Commerce:** Our first activity command award sponsor and our key for the Lunch and Learn and the HTF.
- **DLA Aviation, Jacksonville:** Our second activity award success as we provide monthly and annual recognition awards and also their support for our annual fundraising events.
- **Greater Jacksonville USO,** Mike O'Brien and Bob Ross and all their team. You will never find better people to work with.
- **NMCRS, Jacksonville, Monika Woods and all her dedicated team.** For an example of their impact take a look at their status report in this newsletter. Incredible.

- **Mallory Guldi and all her Middleburg HS Design Team.** They are entering year 4 of sponsoring and developing the chapter newsletters.
- **Stacey Rutherford, College & Career Coach Middleburg HS** and her support via coordinating students for working the events to gain valuable experience within the community.
- **Tory Hamlin , Tory Hamlin Allstate** and all her employees. They have supported us from day 1, via manhours, sponsor funds, virtual run tee shirts, articles for the newsletter and the list goes on and on.
- **Louis Vanleer** our chapter photographer volunteer, who has supported all of our tournaments with awesome shots! Check out his site at: <https://reelnav.smugmug.com/>
- **Morris Jelks and Julian Carter**, General sales manager and sales specialist for North Florida Lincoln who has been sole provider of Sponsor Cars for our golf events.
- **Select Health and Wellness, specifically Doc Fritz and Sarah.** Massages at each golf event, sponsor gift cards, networking and business contacts and articles for the newsletter.

So, what is the state of the Chapter as we enter year #4. It would be easy to say we are doing well. But as you see the key is the dedicated workers and their desire for excellence. Because of them 2018 will be ANOTHER banner year. If any of what is in this letter interests you, please see the next pages where we talk about the benefits of joining the DAU AA JAX Chapter Team. We can use your HELP as we continue to grow and make a difference to the AT&L Workforce and local military and within the local community. Thanks for your time and consideration. Hope you enjoy the newsletter that Mallory and her HS students have put together for us.

Duane Mallicoat, DAUAA Jax Chapter President

So Why Should “YOU” Join the DAUAA Jax Chapter?

Great question. So, what would encourage you to spend \$25 for one year or \$60 for 3 years plus \$6.00 a year to join up for the DAU Alumni Association and specifically the DAUAA Jax Chapter (yes you must be a member of DAUAA Corporate before you can join the AA Jax Chapter. Let's see what you think about this:

- Focused Continuous Learning Points opportunity each month.
- Quarterly DAUAA E News
- Links to DAU and other DoD professional organizations
- Local Chapter events and networking opportunities
- Corporate DAUAA Annual Research Paper Contest
- Corporate DAUAA HS Senior Annual Scholarship

And SPECIFIC to DAUAA Jax Chapter

- Chapter DAU AA Jax HS Senior Scholarship
- Support of local AT&L Workforce and local military commands with recognition awards
- Chapter provided awards for your team and/or individuals members with a “turnkey” process to use for award criteria and recipients selection.
- Support local HS STEM and non-STEM with Science Fairs and Field Trips
- Opportunities for you to be a guest speaker at a local HS
- DAU AA Jax Chapter gives 4 each \$1000 scholarships to deserving HS seniors each year
- Monthly Lunch and Learn training right from your computer
- Tailored training and 4-5 times a year focused HTF training at your location via VTC.
- Various community Outreach support including Clay County Chamber of Commerce, Clay County Veterans Council, Greater JAX USO, NMCRS JAX, Jacksonville Hubbard House.

Coming in 2018 to DAUAA Jax Chapter

- Liz Nealin Scholarship (for students still in college)
- Discounts at local businesses

Did we get your attention? If so, see the next page for the application and give it to one of the DAU AA Chapter Officers and we will pay \$5.00 of the initial joining fee.

Chapter Officers

- Duane Mallicoat: Chapter President
- Tony Conard: Chapter VP of Operations
- Ensign Lee Butler: Chapter VP Outreach
- Grant Meadows: Chapter PAO/Communications
- Jackie Wimpee: Chapter Secretary
- AFCM Runettia Obryant: Chapter Treasurer
- Terry Tillman: Chapter Golf Fundraising Coordinator
- Elizabeth Nealin: Chapter STEM Coordinator
- John Martin: Chapter “other academy” event coordinator
- Tory Hamlin (Tory Hamlin Allstate): Chapter Industry Chair

And we are ALWAYS looking for HELP....Join us and give us a hand as we make a difference for the AT&L Workforce, Local Military Commands, Local High Schools, and within the community via the Greater JAX USO, NMCRS JAX, and Jacksonville Hubbard House

DAU AA JAX Chapter HELP Wanted Ads

We have some openings within the DAU AA Jax Chapter if you would like to consider helping us by serving in one of the following areas. If you do please contact duane.mallicoat@dau.mil or tony.conard@navy.mil.

CHAPTER MEMBERSHIP DRIVE COORDINATOR

This position would be the lead to see where and when and how the chapter can do membership drives. Set up booths at Hot Topic Forums, booths at outside events where a concentration of military or government employees might be attending. Advertise these events via the newsletter and web site. We will provide the table, banners and flyer material.

CHAPTER MEMBERSHIP BENEFITS COORDINATOR

This position contacts local businesses (those who give military discounts would be a great place to start and we have lists for Duval and Clay County) and see if they also would be willing to award the same discounts now given to military to any DAU AA Jax Chapter Member. Then advertise these businesses on a membership benefit page on our chapter website.

CHAPTER LUNCH AND LEARN AND HTF TRAINING LEAD

This position coordinated the distribution on information and scheduling for the quarterly Lunch and Learn Training Schedules with the various commands training coordinators. Coordinate the upcoming HTF events (date, time, and location) for all the Corporate DAU AA HTF (usually 4-5 a year) PLUS coordinate with commands leadership about local HTF they would like us to organize and put on to support their training initiatives.

HELP WITH SUPPORT FOR USO GREATER JAX, NMCRS JAX, OR HUBBARD HOUSE

This position is on the look for people who would be willing to help us support any one of our three Community Outreach Groups. Choices are Greater JACKSONVILLE USO, NMCRS JACKSONVILLE, or Hubbard House JACKSONVILLE. Plan would be that you would focus your efforts to a specific group and provide as much time as you have available. We will be building Community Group Pages on our chapter website so you can populate with what is going on and how we are helping. We are looking at 4-6 people for each group.

NMCRS JAX IS MAKING A DIFFERENCE FOR SAILORS, MARINES AND THEIR FAMILIES

Hubbard House

In 1976, Hubbard House opened its doors as one of Florida's first shelters for victims of domestic violence and their children. Since then, Hubbard House has evolved into a full-service certified domestic violence center, providing prevention and intervention services and wrap-around care to domestic violence survivors and their children throughout Duval and Baker counties in Northeast Florida.

The mission of Hubbard House is safety, empowerment, and social change for victims of domestic violence and their families. Our vision is Every Relationship Violence-Free. Every woman, man, and child who comes to Hubbard House finds support, counseling, and education as they begin the difficult and dangerous transition to safety and peace. Victims of domestic violence and their children are not charged for the life-saving services they receive at Hubbard House. We are proud to provide victims and their children with the following programs and services:

- Emergency shelter
- A 24-hour hotline
- Group and individual support programs for adults, children, and teens living in shelter and throughout the community
- School-based prevention programs for children and teens
- Emergency response advocacy with police and medical personnel
- Court advocacy services
- Job training, placement and financial empowerment programs
- Batterer's intervention program

Hubbard House has been and continues to be an award-winning pioneer in the field. In all we do, victim safety is our top priority. We value the experiences of survivors and learn from them. We shelter approximately 116 victims and their children each day and provide services to 5,000 victims a year. If we are going to finally end domestic violence, if we are going to have a generation of children who do not have to live with violence in their home, we need your help and the help of everyone you know.

Tory Hamlin Allstate Agency Financial Tip

Why Life Insurance?

What's one of the first steps to creating a secure financial future for your family? Life Insurance.

By including life insurance in your financial plan, you provide a solid foundation to protect what you've worked so hard for: the people who rely on you financially and the lifestyle and assets you've accumulated.

85% of Americans say they need life insurance, yet only 62% actually own a life insurance policy. Why? It's not easy to think about what might happen if you were not there to contribute financially to the household. Or, whether your family could afford to stay in your home without you.

Many people think life insurance is just for paying final expenses after the death of a loved one. What they don't realize is that life insurance is one of the best ways to provide an income for your family's future lifestyle - in case you are no longer there to care for them.

Remember, Life insurance is an act of love!

About me:

I've been with Allstate for over 10 years and have worn many hats. My tenure and experience has allowed me to not only understand the ins-and-outs of insurance, but also to service hundreds of families regarding their protection needs. I can help you protect the things that are important - your family, home, car, boat and more.

I'm proud to work with a company who's been serving satisfied customers for over 80 years. Customers count on outstanding financial strength and superior claims service to help protect what they value most. Allstate delivers on their promise. In fact, their outstanding financial strength and superior claims service received an A+ (Superior) rating by A.M. Best. Quality service, strength and satisfaction - that's something I'm glad to be a part of.

As a small business owner, I understand the importance of building a solid foundation for the future and developing long-lasting customer relationships. That's why I'm committed to offering you the same level of service I'd expect from my own business dealings. When you leave my office, I hope you'll feel confident, informed and satisfied in your choices. The way you should feel.

P.S What would your family do without your income? Ask our Financial Advisor how life insurance can help protect their future.

Your Trusted Advisor,

"Your Attitude can Alter your Altitude"
