

# Defense Acquisition Professionals – Jacksonville, FL

September 2022

One cannot do this without a SUPERB TEAM of Chapter and Board of Director members. As there is no DAU teaching site located in Jacksonville (we actually fall under the South Region in Huntsville), we have had to get creative with our members and Board members. Our Board is made up of a combination of AT&L Workforce members, active duty and retired military, as well as local business and organizations that are huge supporters of the Department of Defense and our military.
